WATERTOWN, WI – The Watertown Humane Society is proud to announce a generous \$5,000 donation from Chandler House Bakery, raised through the sale of their popular dog treats. This donation reflects the bakery’s commitment to giving back to the community and supporting the well-being of animals in need.

Through their dog treat sales, Chandler House Bakery invited customers to support local shelter pets in a meaningful way. Every purchase helped contribute to this impactful donation, which will directly support the Humane Society’s mission of caring for animals, promoting responsible pet ownership, and strengthening the human-animal bond in the community.

“We are incredibly grateful to Chandler House Bakery and everyone who purchased dog treats in support of our shelter,” said Heather VanDam, Executive Director, of the Watertown Humane Society. “This donation allows us to continue providing essential care, medical treatment, and enrichment for the animals who rely on us every day.”

Chandler House Bakery has long been known for its dedication to quality products and community involvement. By turning a customer-favorite product into an opportunity to give back, the bakery demonstrated how local businesses can make a meaningful difference for animals and the people who love them.
