## **PETCO LOVE DONATES \$500 TO WATERTOWN HUMANE SOCIETY TO SUPPORT PET ADOPTIONS**

### **FOR IMMEDIATE RELEASE**

**March 2, 2026**

Watertown, WI – The Watertown Humane Society is grateful to receive a \$500 donation from Petco Love as part of the ongoing partnership with animal shelters and local Petco retail stores. This generous support helps further the organization’s mission of finding loving homes for animals in need.

Through the Everyday Adoption program with Petco stores in Delafield and West Bend, the Watertown Humane Society successfully adopted out nearly 50 cats in 2025. These partnerships allow adoptable pets to meet potential families in welcoming, high-traffic environments, helping more animals find the homes they deserve.

“We are thrilled to have these partnerships with Petco and Petco Love,” said Heather VanDam, Executive Director with the Watertown Humane Society. “Their commitment to supporting local shelters and promoting pet adoption has made a real impact in our community and for the animals we serve.”

Since 1999, Petco Love and its shelter partners have helped find homes for more than 6.7 million pets nationwide. Programs like Everyday Adoption continue to connect adoptable pets with families while strengthening the lifesaving work of local shelters.

The Watertown Humane Society looks forward to continuing its partnership with Petco stores in Delafield and West Bend to help even more animals find loving homes.
