RECEIVES TRANSFORMATIONAL \$75,000 GIFT FROM WILLIAM ALBERT ESTATE

FOR IMMEDIATE RELEASE

December 13, 2025

Watertown, WI - The Watertown Humane Society is honored to announce the receipt of a generous \$75,000 gift from the Estate of William “Bill” Albert, a meaningful contribution that will significantly advance the organization’s mission of saving and caring for animals in need.

This extraordinary gift reflects Bill’s lifelong love for animals and deep compassion for their wellbeing. Through this donation, his legacy will continue to make a lasting impact—providing care, shelter, and second chances for countless animals for years to come.

“We are incredibly grateful for this remarkable gift,” said Jenny Lisner, Director of Marketing with the Watertown Humane Society. “Bill’s passion for animals shines through in this contribution, and it will directly support lifesaving programs, medical care, and daily operations that make our work possible.”

The organization also extends its heartfelt thanks to Doris, Bill’s partner, whose generosity and belief in the mission made this gift possible. Doris graciously shared photos that celebrate Bill’s enduring bond with animals, offering a touching tribute to a life filled with compassion and kindness.

This donation serves not only as critical financial support but also as a powerful reminder of the difference one person’s love for animals can make.
